

SERVICE

We serve our community by organizing food drives and other fundraisers. We volunteer our time by supporting cancer patients, cleaning up local roadways, assisting Veterans and many more areas. We have been and continue to be involved with a wide variety of activities when it comes to providing a service in our community.

GROWTH

We encourage all members to experience personal and professional growth. We provide enrichment opportunities to help members increase their leadership skills, self-esteem, confidence and working effectively with others. We also promote growth in living and learning in all areas of life.

FELLOWSHIP

We provide the opportunity to develop and foster close friendships with others who share similar interests. Social events are a large part of building friendships within the organization and the community.

Our chapter was founded in 1959 and is made up of a dynamic and diverse group of women from all walks of life. We share a common interest of making a positive difference in our community and ourselves. Fridley Women of Today is one of almost 60 chapters in the state of Minnesota.

Our members volunteer their time and talents in the community, raise funds for charities, provide support to other foundations and chair or host social events during the year. Members can choose which projects they would like to take part in and can devote as much time as they are able. Most meetings and social events are held in the evenings or on weekends.

Chapter meetings are held on the 2nd Thursday of each month at 6:30pm at Fridley Community Center, 6085 7th Street NE, Fridley, MN 55432.

*Until further notice, meetings will be held via Zoom. Email fridleyWT@mnwt.org for Zoom link.
